

मेरी कक्षा मेरा देश
सार्थक शिक्षा मेरा उद्देश्य

My name is Hemlata Devi. I have been associated with PS Jauharganj as a teacher since 2015.

I have been associated with the Foster & Forge Foundation for the last 6 months. I have learned many new things since joining FNF. I think we "Sikshak Sankul" get to learn a lot of new things in the sessions that are conducted by the FNF. The SLC happens every month, where we share our problems and have the opportunity to discuss or practice solutions. Along with this different

cross-learning Platforms are also provided. FNF always motivates me so that I can better implement all the activities that are going on at the school level. FNF always works as a catalyst and helps us to be inspired.

In the future, I will keep learning new things through FNF sessions and I'll teach those to the students.
